Carberry Minor Hockey Association

January 2008

Bantam Tournament of Champions

Carberry Minor Hockey would like to thank the organizing committee and all the volunteers who made the Bantam Tournament of Champions such a success.

We received many compliments on the well run weekend. It was a huge fundraising success making around \$7500.00

Pee Wee Girls Provincials

Do not forget we are also hosting the Pee Wee Girls "C" Provincials March 14 – 16th. Again we will be depending on parent volunteers from all the teams to run a successful weekend.

Halloween Social

Our Halloween social was a great fundraiser making around \$2700.00 The hall has been booked for next year, again on the Saturday night.

Bottle Drive

Our final fundraiser of the year is the bottle drive which will take place on Saturday April 26th, so save those bottles.

All this fundraising would not be possible without everyone's participation and certainly keeps our fees down.

Spring Award Night

Carberry Minor Hockey Executive has decided to follow the same format for our spring awards evening. It will take place at the R.J. Waugh school on April 17th.

Website

The CMHA executive would like to remind everyone to check out our website for schedules, meeting minutes and any upcoming events. Special thanks to our webmaster Mike Donais for keeping everything up to date.

Goalie Equipment for Sale

We still have some used goalie equipment for sale if anyone is interested contact Gwen Shamanski

Playoffs

A lot of our teams have begun their playoffs – best of luck to them.

Next Executive Meeting February 13th at the rink - all members welcome
